

In the Name of Allah, the Most Beneficent, the Most Merciful

Today, Monday, the seventeenth of December, two thousand and nineteen, corresponding to the thirtieth of Rabi 'al-Akhr of year one thousand nine hundred and forty [There is a mistake in the year. The hijri year is not 1940 as stated in the agreement, it is 1490]

The meeting took place between the brothers of Hay'at Tahrīr al-Shām [Organization for the Liberation of the Levant] and dignitaries and notables of the village of Hazano

The following points were agreed upon:

First: Hazano belongs to the Salvation Government in the Civil and Military Administration.

Second: The unstable factions of Hay'at Tahrīr al-Shām are obliged to coordinate with the council of dignitaries and notables on the town [Hazano] to stand neutral and not carry weapon unless they want to guard [patrolling], in this case, the Hay'at [Organization for the Liberation of the Levant] will secure all of their [the factions] needs.

And the God is behind this purpose
