

**Joint declaration of the representatives of Touareg and Tebou tribes in 4 points supporting
the Presidency Council of the Government of National Agreement which recently took
office in Tripoli**

The representatives of the Tebou and Touareg tribes in Libya, on behalf of the National Movement of the Touareg Youth in the South and of the High Revolutionary Council of the Tebou in the South, who engaged in a long dialogue for a peaceful coexistence in the South of the country and who in the documents signed in Doha on the 22 November 2015 and in Rome on the 28 November 2015 confirmed their commitment for the peace process promoted by the UN Special Envoy for Libya;

Considering the recent evolution of the political situation and the hope of sorting out of the crisis and division in which our country happen to be since long;

Deeply convinced that only through dialogue it is possible to come out of the current crisis and throw the basis for a peaceful future in Libya;

Considering the common desire for a undivided, democratic and multicultural Libya, common house for all the Libyans;

Jointly declare:

- 1. our support to the Presidency Council of the Government of National Agreement**, for which we hope full support from all the components and factions of the country in the shortest possible time;
 - 2. our joint and confirmed support to the negotiation process promoted by the United Nations and specifically by UNISMIL** for the pacification of our country, as already declared by both our delegations in the **document signed in Rome on the 28 November 2015 by the Community of Sant'Egidio**, for the sake of Southern Libya and of the whole country;
 - 3. our serious call to all the Libyan factions** and in particular to those who have not yet fully joined to the peace process promoted by UN, **to overcome every particularism** and to allow to the Presidency Council of the Government of National Agreement to exert its duties over the whole Libyan territory.
 - 4. the commitment so that the pacification of the country may move further in the shortest possible time** and that the South of the country may be supported in the contribution it gave to peace up to now, and fully included in the creation of a peaceful and prosperous country.
