## **Reconciliation Agreement between the Tebu and Awlad Sulayman Tribes**

Allah says: “No good is there in much of their private conversation, except for those who enjoin charity or that which is right or conciliation between people. And whoever does that seeking means to the approval of Allah - then We are going to give him a great reward.”  
[Shurat al-Nisa 114]

And Allah says: “The believers are but brothers, so make settlement between your brothers. And fear Allah that you may receive mercy.” [Surat al-Hujurat 49]

Reconciliation is the joint pursuit towards conflict resolution, to redress the damage and rectify the consequences of conflicts in the past [and their] injustices and mistakes, based on the principles of our religion Islam, which forbids infighting among Muslims and urges compassion, cooperation and solidarity as well as calling for reconciliation and stemming the flow of Muslim blood. And [ further based on] the strengthening of identity and the body of the nation, the sanctification of Libyan blood, protecting the unity of Libyan soil, establishing a culture of reconciliation and the beginnings of a state culture, and confirmation of the ties of brotherhood, history and intermarriage between the tribes.
