The conference was attended by two hundreds and fifty (250) Participants categorical the of Dinka Agar chiefs, Youth , women , Spear master , elders and intellectuals, peace partners and government stakeholders that include commissioner of Rumbek East county , Rumbek North county, Wulu county and representative of Rumbek cenertr commissioner. The conference was grace over by Hon . Chol Kuotwel Manhom , the Minster of Local government and Law inforce agency on behalf of the Governor Gen . Rin Tueny Mabor Deng , The Governor of Lakes state.

The conference came up with nineteen resolutions includling formation and strengthen of **Internal Cattle Migration Monitoring Committee (ICMMC)** comprises of Minister of Local Government, Minister of Peacebuilding, four Commissioners of Greater Rumbek Counties, four Chiefs, four Gelweng and three members of Organised Forces to regulate cattle movement.

A called for prioritize agriculture and look for a potential place for agriculture which is probably the jur land. Farming and grazing areas should be separated, Migration to namcok to kick off by January and April every year. Urges intermarriages between Agaar and Jur and communities must stop hoarding or harboring thieves as Government to strengthen the recent laws to some individuals who still engaging in criminal activities. There was recommendation from the participant to extend operationalization of Peace canal to wulu county which is inhabited by Bele and modo who part of greater Rumbek to have comprehensive peace programs .

Coominty of greater Rumbek appreciated Peace Canal and other partners for Unwavering support and aknowlged the government of Lakes state for restoring peace and Maintaing rule of law.

The forum recommended establishment of the committee overseeing the cattle movement to Naam cok and shall constitute membership from Duor Mayor, Kook, and Bele respectively.

The government of Lakes State insured Peace Canal to tabled the resolutions before council of ministers and passed into law, implement it and owned cattle migration as one of the government policy of the state.

3rd Dinka Agaar Annual Cattle Migration Conference

Preamble

We the chiefs, Gelweng leaders, women and local government officials who attended the 3rd Annual Dinka Agaar and Bele Internal Cattle Migration Conference from 19th – 21st December in Aduel-Rumbek East County;

committed to ensure peaceful coexistence of our people through dialogues;

appreciating Peace Canal and UNMISS for unwavering support to peace efforts in Lakes State;

applauding the government of Lakes State under **Hon. Rin Tueny Mabor** for restoring peace and maintaining rule of law;

exploring the possible ways and means to promote regional peace and stability through interstate conferences and dialogues.

We resolved the following Resolutions;

1. Cattle Migration to Toc will be solely headed and regulated by the government
2. Prohibited cattle camps remained restricted as per government directives till further notice.
3. Machar Dhuol and his team to perform rituals after government move and deployed soldiers in hot spot areas in Toc land.
4. Spear masters to play/perform their spiritual roles/rituals in combating the ongoing heinous cattle theft, alcohol abuse and other cattle related crimes.
5. All PakamGelweng and chiefs are urged by the commissioner to move with their cattle as they migrate to areas of Pook.
6. These resolutions will be taken to the governor and state security committee and be tabled for approval.
7. The title of the conference should reflect Bele; Dinka Agar and Bele Cattle Migration Conference.
8. Border meeting between Akot, Paloc, Amongpiny, and Aluakluak& part of Yirol East to close the alarming loophole of border cattle theft.
9. Migration to and from areas of Bele (Namcok) to kick off by January and April respectively.

10. Intermarriages between Agar and Bele communities be encouraged for confidence building.
 11. Stop hoarding or harboring thieves and instead apprehend them to the government for trial to eliminate further escalation.
 12. Government to enact and strengthen the laws that regulate cattle movement from low land to the high land during flooding season.
-
13. Establishment of the committee overseeing the cattle movements to and from Namcok and the committee members shall be from Duor, Kook, and Bele respectively.
