**ANNUAL PRE – SEASONAL CATTLE MOVEMENT CONFERENCE**  
**WESTERN BAHR EL GHAZAL, NORTHERN BAHR EL GHAZAL AND WARRAP**  
**STATES 2022**

**COMMUNIQUE:**

Date: 15<sup>th</sup> December 2022

**Preamble:**

We, the delegates of the Annual Pre – Seasonal Cattle Movement Conference comprising of members of cattle keepers from Warrap and Northern Bahr el Ghazal states, farmers from WBeGS, members of Inter-State Coordinating Committee for Cattle Seasonal Movement (ICCCSM), guided by the governments of the three (3) states (Ministries of Local government and Law Enforcement Agencies) and Partners met between 13<sup>th</sup> – 15<sup>th</sup> December 2022 in Wau town, at State Council of Ministers under the theme: "*Strengthening Cattle Seasonal Movement and Social Cohesion*", deliberated on how to maintain security and stability through the implementation of Marial Bai Agreement to have peaceful cattle seasonal movement in 2023 and beyond.

Recognized the common heritage of the people of Bahr el Ghazal, the delegates welcomed the participation of the delegates from Northern Bahr el Ghazal to join this joint adventure to ensure peace and stability prevails in our region;

Acknowledged the opinion of the delegates from Wau County on non-acceptance of the seasonal cattle movement in their area and committed to respect this opinion. However, the delegates from Wau County requested more time to debate on the issue and reconsider their position and rejoin the Marial Bai Agreement under a new terms;

Building on our joint interests to protect our resources, the Governments of Western Bahr el-Ghazal, Northern Bahr el Ghazal and Warrap supporting the communities of cattle keepers and the farmers across the three states held an Annual Pre - Seasonal Cattle Movement Conference to dialogue on how to strengthen the cattle seasonal movement annually;

Cognizant of our responsibilities to maintain and enhance security and protection of both resources (animals and crops) and our citizens in Western Bahr el Ghazal, Northern Bahr el Ghazal and Warrap States;

Determined to work together as communities that coexist peacefully by implementing the provisions of Revised Marial Bai Agreement in letter and Spirit for the good of our people in the three states;

**Considered** the concern of delegates from Jur River County in areas of opposition (SPLA -IO) that all cattle keepers planning to move to their areas must ensure that all requirements by the Revised Marial Bai agreement are adhered to in letter and spirit; and call upon chiefs of Warrap to visit areas of IO (Wadhelelo) to initiate blood rituals;

**Reaffirmed** our commitment for peaceful coexistence and stability in our communities and take dialogue as the only means to resolve our differences;

**Mindful** that the Annual Pre-Seasonal Cattle Movement Conference 2022 presents both challenges and opportunities for the cattle keepers and the farmers to dialogue and to effectively contribute to building sustainable peace across the two states and recognizing opportunities that safe spaces create to foster coordination and cooperation among the three communities to coexist peacefully.

**Applauding** the role being played by state authorities of the three states WBeG, NBeG, and Warrap, UNMISS, partners including members of Peace Building and Reconciliation Working Group (PRWG) in facilitating the communities of the three states to have space for dialogue and deliberation on some sticking issues within the Marial Bai Agreement and the process of the annual cattle seasonal movement;

The conference notes with great appreciation the consequential support of the UN family to the overall peace, reconciliation, justice, and accountability agenda in the three states and calls for sustained support going into immediate future to safeguard and secure gains realized in 2021 and 2022 period and address critical outstanding challenges;

**Noting with concerns** all the reported continuous violations during the grassroot consultations in both WBeG and Warrap States and calling upon the Inter State Coordination Committee on Cattle Seasonal Movement (ICCCSM) and other mechanisms to ensure violators are held accountable in accordance with Marial Bai Agreement resolutions;

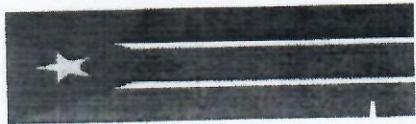

**Alarmed** by the continuous report of unauthorized persons (cattle keepers & farmers) carrying firearms in total violation of the Marial Bai Agreement and bringing about mistrust among communities;

**Calling upon** the authorities of the three states to take charge of collecting the firearms from civilians using different strategies instead of open declaration of the exercise;

**Urging** the authorities of WBeG/NBeG/Warrap/UNMISS and other partners to facilitate the strengthening of the capacities of local committees to be more responsive

and ensure the current Revised Marial Bai Agreement (R-MBA) structures (committees) reach the grassroot communities with the mobility given to them by partners;

**Concern** with interference into community peace and security by the current situation and urging the Revitalized Government of National Unity to speed up implementation of the security arrangement by speedy development of the recent graduated unification of forces and commence the second phase of training;

**Calling** on all political parties to refrain from politicizing the Marial-Bai agreement a political mileage to allow communities take charge of the implementation of the agreement and request all relevant authorities to help the communities with effective implementation;

**Calling upon** the government and other stakeholders to strengthen operationalization of the Joint Mobile/Special court for trial of some imminent cases arising from the cattle related issues among the communities, which will contribute immensely to fighting impunity and further recognize legal accountability to foster reconciliation to deter future crimes and potential offenders within the three communities;

**Calling upon** the states authorities and urged them to recommit to their task of 2021 communique to speedily form and deploy the joint integrated police force (special unit) along cattle seasonal movement's routes to monitor the movements of the cattle and arrest any cattle related conflict that may arise due to violations of the Marial Bai Agreement;

Aware of the ICCCSM acknowledgement of the support given by partners in the year 2021/2022 and noted the financial constraints experienced by the Inter – State Coordination Committee for Cattle Seasonal Movement (ICCCSM), the delegates appealed to the states authorities to provide support to the mechanisms to enable them to effectively carryout their mandates;

**Concern** with presence of local cattle within Wau Municipality causing destruction of farms around Wau town and beyond, the delegates further call upon the Wau Municipal Council to regulate these cattle under the provisions of the revised MBA and issue local order to complement the provisions of Revised MBA;

**Confirmed** the conference have confirmed the revised compensation rate / list of 2019 by multiplying all the prices on the compensation matrix by two, the compensation in kind remained the same and recommend comprehensive review of Marial Bai Agreement in the next year's Annual Conference.
