### **Announcement of Tehreek-e-Taliban Pakistan on the Current Negotiations**

As is well-known that a grand jirga between Tehreek-e-Taliban Pakistan and the leaders of the Pashtun nation, especially tribal elders and the respected scholars, representing the Government of Pakistan, has been in session in Kabul for the past two days.

A lot of ground has been covered in the past two days and, consequently, Tehreek-e-Taliban Pakistan has declared a ceasefire till further orders.

God willing, new sessions between the concerned parties will be held in the coming days in order to push the negotiation process further.
