- reached the following understanding:

## **1. Transitional arrangements for BTG**

It was requested by Premier Theodore Miriung that the current term of the Bougainville transitional government be extended beyond the 1997 national elections.

The Prime Minister appreciates the specific commitments relating to Bougainville and commits the national government to do its best endeavour to pass amendments to the organic law on provincial governments and local level governments to effect the above.

It was further agreed that the process be initiated as soon as possible and concluded by the sixteenth 16th day of June, 1996. The officials of the national government and the BTG have been mandated to immediately work on the details.

Whilst acknowledging the complexities of any discussion on the granting of some degree of autonomy for Bougainville both parties agreed to deliberate further on the level and scope of autonomy for Bougainville. The details are to be worked out by officials from both sides later on.

## **3. Local level government**

Both parties agreed that a system of local level government be established as soon as possible to facilitate the process of normalisation on Bougainville.

#### **4. Funding**

Whilst acknowledging past difficulties on drawing down funds allocated for Bougainville and the BTG, both parties agreed to work within the current arrangement to facilitate a prompt release of funds earmarked for Bougainville.
