

Document of Reconciliation and Forgiveness Between the Families of the Al Ali bin Ahmad Al Awlaqi Clan

Sunday, 7 April 2019

All praises be to Allah, who said “Whoever pardons and seeks reconciliation, then their reward is with Allah.”

And He said: “Whoever saves a life, it will be as if they saved all of humanity.”

Based on the generous invitation of our honored sheikh, Sheikh Saleh bin Fareed bin Muhsin Al Awlaqi, the sheikhs, dignitaries, and elders of the Al Ali bin Ahmad bin Ma'n Al Awlaqi clan, and all of the prominent and social figures of the clan, were invited for talks. After discussing the matter amongst themselves, they communicated with the various groups involved and all of those who wish good for the tribe and its future regarding a tribal truce.

Their meeting was conducted for the tribe and in order to put out the fire of conflict and evil and to promote anything that will strengthen the ties of family, brotherhood, and love between the clans, branches, and families of the tribe. Based on that, this blessed idea was formed, and it is based on building a foundation for reconciliation, forgiveness, and moving on from the past and all of its catastrophes and injuries. This idea is based on building bridges of love between the various tribal components and bridging the gaps between them. All of the tribes of the Al Ali clan agreed to this, under the leadership and generous sponsorship of our sheikh, Sheikh Saleh bin Fareed Al Awlaqi, during a meeting on Sunday, 7 April 2019. They decided, during this meeting, to deal with and resolve all of the issues of killings between the members of the tribe during the period from 2014 and until today. This agreement is a continuation of previous agreements between the tribes of Al Ali, who have always been at the forefront of finding rational solutions for their problems, since 1992. This document is applicable for all of the issues that were not included within the scope of tribal vendettas as they are known to the tribes of Arabia, and it includes the issues that have come up recently, starting with the accidental killings and followed by cases of killings. These issues were solved with solutions that were incorrect and irrational, and there were specific entities that were benefitting from these problems and feeding into them.

Based on that, the families of Al Ali bin Ahmad clan, represented by their sheikhs, dignitaries, elders, prominent figures, and social figures, have met on this blessed day and agreed to put an end to this bloodshed between the members of the clan. This bloodshed has been carried out without purpose and without end, harming everyone, and it does not please Allah, his Messenger, or any human being for this to continue. These representatives saw the importance of finding root solution to all of these problems, ensuring that these solutions please Allah and please all involved, especially since we are in dire need today of unity and to stand together because of the difficult situation that we are going through requires that we all stand together. We also hope to build a solid foundation of brotherhood and cooperation, as well as a safe future for us and our children, free of any of the negatives and diseases of the past.

The cases that are addressed by this document were selected, and they are the cases of eleven men who were killed. They were all from the tribes of Ali bin Ahmad, and the following is a list of their names:

1. Ahmad Hanash Awadh
2. Aamer Muhammad Ali Atef
3. Muhammad Abdullah Awadh Al Sawah
4. Jamel Khalid Muhammad Ali Atef
5. Muhammad Salem Ali Numair
6. Saleh Nasser Salem Atiah
7. Ali Muhammad Hussein Al Arsah
8. Abu Bakr Ahmad Hanash Awadh
9. Saleh Salem Al Ja'ar
10. Assem Nasser Atef
11. Abdullah Salem Nasser Al Awfah

The representatives of the tribes of Ali bin Ahmad that have signed this agreement have agreed to the following solutions:

1. All of the eleven men who were killed are the men of the Ali bin Ahmad clan, and they are all our brothers and our sons. Their loss is our loss, and it is our blood that was shed.
2. The people of the Ali bin Ahmad clan have decided to forgive and forget for all of their members who were killed. They did this to please Allah first and foremost, and also to strengthen the ties of brotherhood and family, stop the bloodshed between brothers in religion and in tribe, and for their future and the future of their children.
3. This pardon is from the all of the Al Ali clan, and it includes all of them. This pardon cannot be retracted, and there cannot be any claims or suits after this.
4. Sheikh Saleh bin Fareed Al Awlaqi shall pay the compensation to the families of the victims, at the rate of 10 million Yemeni riyals to each one of the families of the victims, and we reiterate that these men who were killed are our brothers and our dead.

With this document, we all consider this issue to be done with, and to be the last of our terrible problems from this past. It shall be a foundation for us to build a society that is free of wars and vendettas, and one with a future of peace, stability, and brotherhood for our children and their futures.

May Allah guide us.
